

Sugatami Trail

At 1.7km, most visitors can hike in an hour

Alpine plants have started to bloom while snow is melting. You might also encounter Ezo Chipmunks and Mountain Hares on the trail if you're lucky. **Be cautious, the trails are snowy, slippery, and muddy.** There are many plants growing under the snow, so **please walk only on the marked trail!**

Keep your shoes dry; rental rain boots are 300yen.

Hagoromo Waterfall • Columnar joint • Foot bath • Onsen

Hiking trails are lined with wild flowers. Hagoromo waterfall is a quick and easy hike of just 15 minutes. You can feel the waterfall's power stronger than other seasons since the snow is melting. The foot bath in the parking lot and Shikishimasou's onsen are also highly recommended.
