Sugatami Trail

At 1.7km, most visitors can hike in an hour

The alpine plants have started to bloom. Try to spot them while walking the trail! **Be cautious, the trails are snowy, slippery, and muddy.** There are many plants growing under the snow, so **please walk only on the marked trail!**

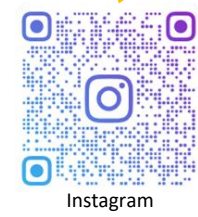

Keep your shoes dry; rental rain boots are 300yen.

Asahidake Onsen

Trails • Alpine plant botanical garden • Onsen • Campsite

Ezoichige (*Anemone yezoensis*)

Asahidake Youth Campsite

Tenninkyō

Hagoromo Waterfall • Columnar joint • Foot bath • Onsen

Hiking trails are lined with wild flowers. Hagoromo waterfall is a quick and easy hike of just 15 minutes.

You can feel the waterfall's power stronger than other seasons since the snow is melting. The foot bath in the parking lot and Shikishimasou's onsen are also highly recommended.
